

P.R.GOVERNMENT COLLEGE(A), KAKINADA
DEPARTMENT OF MATHEMATICS

MATHEMATICS π CLUB

Objectives:

- To sensitize students on social, cultural and ethical issues
- To mould character as part of personality development
- To provide platform for students to express their views and opinions
- To transform students into responsible citizens

Needs identified:

- Need for awareness on academics and other than academics
- To channelize the intellect and energy in positive direction
- Need for counseling on social issues like road sense, ragging, eve teasing
- Need to record activities of students

Practice:

- Department observe important days such as Mathematics Day, National Science Day, National Statistics Day, π Day, World Population Day, World Aids Day, World Environment Day, Women's Day etc to make students realize the intensity of issues and solutions. Colleges organize interactions, seminars and invited talks with eminent personalities from professors, police, judicial, medical fields. Mathematics club to inculcate life skills and protect youth against risk behavior and take part in blood donation camps, Women Empowerment Cell to sensitize and safeguard women rights, NSS and NCC units to encourage social commitment among students.

- Club encourages students to take up writing assignments, articles to express their views and observations on social concerns, college activities and academic undertakings.

Evidence of Success:

- Students' involvement in rash driving, signal jumping and drunken driving cases have been drastically reduced.
- Ragging has been rooted out Confidence levels in girl students increased.
- Improved participation of students in social awareness programmes, Blood Donation camps, Fund raising campaigns and Clean and Green programmes.
- Students of NSS adopt villages and slum areas to conduct literacy camps, health awareness programmes and population control measures.

Resources:

- Funds from the Alumni and local philanthropists
- College funds
