Staff meeting

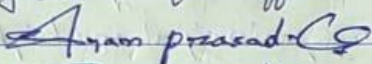

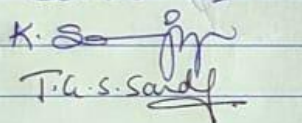

3 Dec 25

A staff meeting will be convened in our department on 3 December 2025 at 10.15 AM to discuss the following department issues. All the staff members are requested to attend the meeting without fail.

Agenda:

1. Reallocation of Theory papers in IV semester.
2. Preparation of semester plans, Teaching dairies.
3. National mathematics Day-2025 celebrations.
4. I mid Examinations for I semester.
5. Departmental works and co-ordination.

Signatures of staff

1.  Anam Prasad
2.  C. S. D.
3. K. S. I. Priyadarshini
4.  U. B. B. B. B.
5.  K. S. J.
6.  T. G. S. Sandeep

Signature of I/C of dept

Resolutions:

→ To Reallocation of Theory papers in IV semester.

paper allocation for IV semester was discussed based on faculty expertise and work load balance.

* Final list of subject paper allocation will be circulated through a departmental circular.

* Faculty must prepare lesson plans, semester curricular plans before commencement of the semester.

→ National mathematics Day-2025 celebrations.

1. It is resolved to conduct the following competitions on the occasion of National mathematics

Principal Permission Letter

PITHAPUR RAJAH'S GOVERNMENT COLLEGE

An outcome based, NAAC accredited, green autonomous institution
4th Cycle NAAC accreditation grade: B++

Affiliated to Adikavi Nannaya University

In-charge of Mathematics department,

Pithapur Rajah's Govt.College(A),

Kakinada.

To

The Principal,

Pithapur Rajah's Govt.College(A),

Kakinada.

Subject: Request for Permission to Celebrate National Mathematics Day on 22-12-2025 and to Conduct Competitions within the College and at Outside Colleges in Kakinada

Respected Sir,

The Department of Mathematics humbly submits this request seeking permission to celebrate **National Mathematics Day-25 on 22nd December 2025** in our institution. As part of the celebration, we plan to organize various academic and co-curricular events aimed at promoting mathematical thinking and encouraging student participation.

In connection with this, we also propose to conduct a series of competitions such as quizzes, poster presentations, problem-solving contests, and related activities **within our college** as well as in **other colleges & Schools in Kakinada**, with the objective of fostering healthy academic interaction among students of different institutions.

We kindly request you to grant us permission to:

1. Organize National Mathematics Day celebrations on **22-12-2025** in our college.
2. Conduct inter-collegiate competitions in nearby colleges and schools in Kakinada.
3. Utilize necessary college facilities and extend administrative support for the smooth conduct of the programmes.

Proposed Activities

As part of the celebrations, the Department of Mathematics proposes to organize the following events:

Within the College:

- Essay Writing competition
- Poster Presentation on Mathematical Concepts/Personalities

In Outside Colleges and Schools in Kakinada:

- Quiz competition
- Essay Writing competition
- Poster Presentation Events

These activities are intended to actively engage students from multiple institutions and foster a healthy learning environment.

We assure you that all activities will be conducted responsibly, maintaining discipline and adhering to the guidelines of the institution.

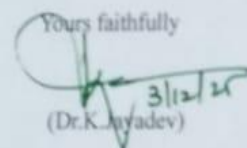

We look forward to your positive approval.

Thanking you,

Place: Kakinada

Date: 03 - 12 - 2025

 4/12/25

Yours faithfully

National Mathematics Day 2025

All students are hereby informed that the department of mathematics will organize a national mathematics day programme on ~~22~~ 22 December 2025 to commemorate national mathematics day, celebrating the birth anniversary of the renowned mathematician Srinivasa Ramanujan.

The programme aims to highlight the importance of mathematics in daily life and to encourage logical thinking and problem-solving skills among students. Various activities such as mathematics quiz, poster presentation, Essay writing will be conducted.

All students are requested to attend the National Mathematics programme without fail and participate actively to make the event successful.

Date : 22 December 2025

Time : 10.30 AM

Venue : LCD Hall - I

Subject: Department of Mathematics, PRGC(A)-organizing National mathematics Day -seeking your expertise as

Chief Guest – requested – reg.

We are pleased inform you that our college is organizing a National Mathematics Day celebration on 22nd December 2025, to commemorate the birth anniversary of legendary mathematician Srinivasa Ramanujan. The theme of the celebration is "**Mathematics, A bridge to innovation**". On this occasion, we would like to invite you as the chief guest for this occasion to address the importance and applications of mathematics in various fields of science, engineering and technology. Your presence and expertise would be highly appreciated and beneficial for our students and faculty members.

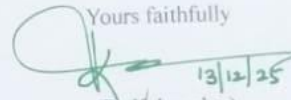

We request you kindly accept our invitation and grace the event with your esteemed presence.

Thanking you,

National Mathematics Day

22nd December 2025.

National Mathematics Day is celebrated every year on 22nd December to honour the birth anniversary of Srinivasa Ramanujan, one of India's greatest mathematicians.

The department of Mathematics organized "National Mathematics Day" on 22nd Dec 2025 with the theme "Mathematics: A Bridge to Innovation".

The programme began with a welcome address followed by the presidential address by the principal. The chief guest delivered an insightful lecture highlighting the contribution of Srinivasa Ramanujan and emphasized the role of mathematics in modern innovation and research.

Students actively participated and interacted with the chief guest. The programme concluded with a vote of thanks.

National Mathematics Day – 2025

Name of the Institution: P.R. Government Autonomous College(A)

Department: Department of Mathematics

Occasion: National Mathematics Day

Date: 22 December 2025

Venue: LCD Hall – I in College Campus

Academic Year: 2025–2026

Objective of the Programme

The National Mathematics Day was organized on the occasion of the birth anniversary of the great Indian mathematical genius **Sri Srinivasa Ramanujan**. The main objectives of the programme were:

1. To commemorate the contributions of Srinivasa Ramanujan to Mathematics
2. To enhance students' understanding of the role of Mathematics in science and technology
3. To promote analytical, logical, and problem-solving skills
4. To motivate students towards higher studies and research in Mathematics
5. To encourage interdisciplinary applications of Mathematics
6. To foster active student participation through competitions

Need of the Activity

Mathematics is often perceived as a difficult subject by students. Celebrating National Mathematics Day helps in:

- Removing fear and misconceptions about Mathematics
- Creating awareness about career opportunities
- Inspiring students through role models like Srinivasa Ramanujan
- Developing scientific temperament and critical thinking

About Sri Srinivasa Ramanujan

Sri Srinivasa Ramanujan was a self-taught Indian mathematician whose work in number theory, continued fractions, and infinite series has had a profound influence on modern Mathematics. His life stands as a symbol of perseverance, originality, and intellectual brilliance. National Mathematics Day is observed every year on 22nd December to honor his legacy.

Programme Implementation

The Department of Mathematics organized the event with prior planning and coordination. Invitations were sent to dignitaries, faculty members, and students. Students were encouraged to actively participate in competitions and discussions.

Details of the Programme

The Department of Mathematics, P.R. Government Autonomous College, organized **National Mathematics Day – 2025** in a grand and enthusiastic manner under the guidance of the college administration.

The programme was presided over by **Sri V. Sanjeev Kumar**, In-Charge Principal of the college.

The **Chief Guest** for the occasion was **Dr. K.V.V. Satyanarayana**, Founder President, Ramanujan Educational Society, Ramachandrapuram, who graced the event and added great value to the programme.

Speeches and Highlights

- **Dr. K.V.V. Satyanarayana**, in his address, spoke about the extraordinary contributions of **Srinivasa Ramanujan** to the field of Mathematics. He highlighted how Ramanujan achieved remarkable success despite limited resources and brought global recognition to India. He emphasized that Mathematics plays a crucial role in developing logical reasoning and analytical ability in students' lives.
- **Sri V. Sanjeev Kumar**, In-Charge Principal, emphasized that Mathematics is a fundamental subject in every student's academic journey and forms the backbone of modern science and technology. He encouraged students to overcome fear of Mathematics and to pursue research-oriented learning.
- **Dr. Hari Ram Prasad**, IQAC Coordinator, explained the valuable contributions of Indian mathematicians to the development of Mathematics.
- **Sri P. Vijay Kumar**, Academic Coordinator, delivered motivational guidance to students regarding academic excellence.
- **Sri B. Chakravarthi**, Head of the Department of Zoology, explained the applications of Mathematics across various disciplines.
- **Dr. K. Jayadev**, In-Charge, Department of Mathematics, presented the activity report and explained the academic programmes, competitions, and lectures conducted by the department.

- Mathematics faculty members **Sri G. Shyam Prasad, Sri G. Prasada Rao**, and other staff members spoke about the importance of Mathematics and the exceptional services of Srinivasa Ramanujan to the subject.

Student Activities

As part of the celebrations, several student-centric activities were conducted:

- Mathematics Quiz
- Poster Presentation
- Elocution / Speech Competition

Students actively participated with great enthusiasm. Prizes were distributed to the winners and participants who showed outstanding performance.

Outcomes of the Activity

After participating in the programme, students were able to:

- Understand the importance of Mathematics in real-life applications
- Recognize the contributions of Indian mathematicians
- Improve logical and analytical thinking
- Develop interest in research and higher studies
- Enhance communication and presentation skills

Feedback

Students expressed positive feedback stating that the programme was informative, inspiring, and interactive. Faculty members appreciated the student engagement and academic focus of the event.

Conclusion

The National Mathematics Day – 2025 celebrations were successfully conducted with great enthusiasm. The programme fulfilled its objectives and left a lasting impression on students, inspiring them to appreciate and explore the beauty of Mathematics.
