Department of Commerce, Pithapur Rajah's Government College (Autonomous), Kakinada, organizes a Two-Day Vendor Development Programme in collaboration with AP MSME Development Corporation on 30th and 31st May 2026.

The Department of Commerce, Pithapur Rajah's Government College (A), Kakinada, in collaboration with the Andhra Pradesh MSME Development Corporation, successfully organized a Two-Day Vendor Development Programme on 30th and 31st May 2026. The programme was conducted with the objective of creating awareness among students, aspiring entrepreneurs, and local business communities about entrepreneurial opportunities, government support schemes, and vendor development initiatives under the MSME sector.

The programme commenced with the inaugural session in the presence of the Principal, Dr. K. Anjaneyulu, who emphasized the importance of entrepreneurship and self-employment in the present economic scenario. In his inaugural address, he encouraged students to develop entrepreneurial skills, explore innovative business ideas, and make effective use of the various schemes and financial assistance offered by government agencies for Micro, Small, and Medium Enterprises (MSMEs). He highlighted the significance of such programmes in promoting economic growth and employment generation.

The programme was organized under the leadership of Dr. J. Pandu Ranga Rao, Head of the Department of Commerce, who welcomed the participants and explained the objectives of the Vendor Development Programme. He stressed the need for students to understand the procurement processes, business opportunities with government organizations, and the benefits of registering as MSME vendors.

Resource persons from the Andhra Pradesh MSME Development Corporation delivered informative sessions on entrepreneurship development, vendor registration procedures, government procurement policies, financial assistance, digital marketing, quality standards, and the various support services available for emerging entrepreneurs. The interactive sessions enabled participants to clarify their doubts and gain practical knowledge about establishing and managing successful business enterprises.

Students, faculty members, and aspiring entrepreneurs actively participated in the programme and appreciated the valuable insights shared by the experts. The two-day programme concluded successfully with an interactive feedback session and a vote of thanks. The initiative enhanced participants' understanding of entrepreneurship, vendor development, and government support mechanisms, reaffirming the commitment of Pithapur Rajah's Government College (Autonomous), Kakinada, to promoting entrepreneurial education and skill development.

Admission Awareness Campaign Conducted by Pithapur Rajah's Government College (A), Kakinada (19.05.2026 to 15.06.2026)

The faculty members of Pithapur Rajah's Government College (Autonomous), Kakinada, organized an extensive admission campaign in various villages in and around Kakinada to create awareness among Intermediate students about the higher education opportunities available at the college. The campaign aimed to encourage students to pursue quality education and make informed decisions regarding their future academic careers.

During the campaign, the staff visited several Junior Colleges and interacted directly with Intermediate students. They explained the academic excellence, rich heritage, experienced faculty, modern infrastructure, and student support services offered by Pithapur Rajah's Government College (A). The students were also informed about the wide range of undergraduate and postgraduate programmes, scholarships, career guidance, skill development initiatives, placement assistance, and co-curricular activities available on the campus.

Special emphasis was laid on highlighting the importance and reputation of P.R. College as one of the oldest and most prestigious educational institutions in the region. The faculty motivated students to choose the college for their higher education by explaining its academic achievements, autonomous status, and excellent learning environment.

A dedicated Admission Help Desk was established to provide complete guidance regarding the admission process, eligibility criteria, online application procedure, course selection, scholarships, and fee details. Students and parents actively interacted with the Help Desk and clarified their doubts.

The admission campaign was conducted under the guidance of the Principal, Dr. K. Anjaneyulu, and the Vice Principal, Sri V. Sanjeeva Kumar. The Heads of the Departments and faculty members actively participated in the programme with great enthusiasm and commitment. Their collective efforts successfully reached a large number of students and created awareness about the educational opportunities available at Pithapur Rajah's Government College (Autonomous), Kakinada. The campaign received an encouraging response from students, parents, and educational institutions, making it a meaningful initiative towards promoting higher education in the region.

**International Yoga Day Celebration at Pithapur Rajah's Government College (A),
Kakinada : 20.06.2026**

Pithapur Rajah's Government College (A), Kakinada, celebrated International Yoga Day on June 21, 2026, with great enthusiasm and active participation from students and staff members. The programme was organized to create awareness about the importance of yoga, physical fitness, mental well-being, and a healthy lifestyle among students.

The event was conducted under the guidance of the Principal, Dr. K. Anjaneyulu. The Vice Principal, Sri V. Sanjeeva Kumar, encouraged the students to participate actively and highlighted the value of yoga in maintaining balance between physical health and mental peace. The Department of Physical Education played a key role in organizing the programme under the supervision of Dr. Varma and Dr. Ramana.

Around 1000 students participated in the Yoga Day celebrations. A yoga instructor guided the participants and demonstrated simple and effective asanas that can be practiced regularly for improving flexibility, concentration, and overall health. The students actively followed the instructions and performed various basic yoga postures with enthusiasm.

The instructor also explained the importance of meditation in daily life. It was emphasized that meditation helps reduce stress, improve concentration, develop emotional stability, and bring peace of mind. Students were encouraged to include meditation and yoga practices in their daily routines to enhance their physical and mental abilities.

The programme created awareness among students about the benefits of adopting a healthy lifestyle through yoga. The participation of a large number of students reflected their interest in learning and practicing yoga. The celebration concluded successfully with a message that yoga is not only a form of exercise but also a way to achieve harmony between the body and mind.

The International Yoga Day programme at Pithapur Rajah's Government College (A), Kakinada, was a meaningful and inspiring event that promoted health, discipline, and wellness among the student community.

EAGLE Club and Department of Physical Education students enthusiastically participate in the Drug Awareness Rally 26.06.2026

EAGLE Club and the Department of Physical Education of Pithapur Rajah's Government College (Autonomous), Kakinada, actively participated in a Drug Awareness Rally organized by the Police Department to promote awareness about the harmful effects of drug abuse and encourage youth to adopt a healthy and responsible lifestyle. The program reflected the institution's commitment to social responsibility and community engagement.

The rally commenced from the Superintendent of Police (SP) Office and proceeded through the major streets of Kakinada before concluding at Bhanugudi Junction. Students, faculty members, police personnel, and members of the public participated enthusiastically. The students carried placards and banners displaying anti-drug messages and raised slogans advocating a drug-free society. Their active participation drew the attention of the public and effectively spread awareness about the dangers of substance abuse.

The program was led by Captain Dr. M. Krishna Rao, Convener of the EAGLE Club and Lecturer in Botany, along with Dr. B. Elia, Lecturer in Zoology. The Department of Physical Education, represented by Dr. Varma and Dr. Ramana, coordinated the participation of the students and ensured the smooth conduct of the rally. Their guidance and encouragement inspired the students to actively contribute to this important social awareness initiative.

The Superintendent of Police (SP) participated in the rally and addressed the gathering. In the address, the SP highlighted the serious consequences of drug addiction and emphasized the need for collective efforts to eliminate drug abuse from society. Students were encouraged to become responsible citizens and ambassadors of awareness by educating their peers, families, and communities about the importance of a drug-free life.

As part of the programme, all participating students took a solemn Anti-Drug Oath, pledging to abstain from drugs, promote healthy habits, and support efforts to build a drug-free society. The pledge reinforced their commitment to safeguarding their own well-being and contributing to the welfare of the community.

The rally concluded successfully with enthusiastic participation from the students and faculty of Pithapur Rajah's Government College (Autonomous), Kakinada. The program strengthened awareness about drug prevention and reaffirmed the college's dedication to promoting social consciousness, civic responsibility, and the holistic development of students.

Excellence in APPGCET & CUCET – Students of P.R. Government College (Autonomous), Kakinada, achieve outstanding ranks, bringing laurels to the institution.

The students of Pithapur Rajah's Government College (A), Kakinada, have brought great pride to the institution by securing outstanding ranks in the Andhra Pradesh Post Graduate Common Entrance Test (APPGCET). Their remarkable performance reflects the college's long-standing tradition of academic excellence, quality teaching, and continuous student mentoring.

A significant number of students achieved exceptional results by securing ranks below 10, while many others obtained ranks below 50 and ranks below 100 in various APPGCET subjects. These impressive achievements are a testament to the students' dedication, consistent hard work, and determination to excel in competitive examinations. Their success also highlights the strong academic foundation and guidance provided by the college.

The college has always encouraged students to pursue higher education by offering systematic academic support, special coaching, mentoring sessions, and regular interaction with faculty members. The dedicated efforts of the Heads of the Departments and teaching faculty played a vital role in preparing the students for the entrance examination. Their continuous encouragement, effective teaching methodologies, and individual guidance enabled the students to perform exceptionally well and achieve top ranks.

Principal, Dr. K. Anjaneyulu, congratulated all the successful students on their remarkable accomplishment and appreciated their commitment to academic excellence. He expressed immense happiness over the outstanding APPGCET results and stated that such achievements enhance the prestige of the institution. He encouraged the students to continue their pursuit of knowledge and make meaningful contributions to society through higher education and research.

Dr. K. Anjaneyulu also extended his heartfelt appreciation to the Heads of the Departments and faculty members for their tireless efforts in mentoring and motivating the students. He acknowledged their dedication in providing quality education and creating an academic environment that nurtures excellence and inspires students to achieve their goals.

The college community celebrated the success with great enthusiasm, recognizing it as a collective achievement of the students, faculty, and administration. The excellent APPGCET results have further strengthened the reputation of Pithapur Rajah's Government College (Autonomous), Kakinada, as one of the premier institutions of higher education in the region. The institution remains committed to fostering academic excellence, promoting higher education, and empowering students to achieve success in competitive examinations and their future careers.

Pithapur Rajah's Government College (A), Kakinada, conducted the Board of Studies (BoS) meetings for all departments of the college with the objective of reviewing and strengthening the academic curriculum. The meetings were organized successfully with the participation of department faculty members and subject experts, focusing on academic development, curriculum enhancement, and improving the quality of education.

The Board of Studies is an important academic body that plays a key role in designing, reviewing, and updating the curriculum according to the changing needs of higher education and industry requirements. The meetings provided a platform for detailed discussions on various academic matters, including syllabus revision, teaching methodologies, evaluation patterns, and the introduction of new learning approaches.

During the meetings, the members reviewed the existing curriculum and suggested necessary modifications to make the courses more relevant, skill-oriented, and student-friendly. The importance of incorporating recent developments in different fields, promoting experiential learning, and encouraging research-based activities was discussed. Valuable suggestions were received from subject experts and faculty members for enhancing the academic standards of the institution.

The faculty members presented their views regarding the implementation of the curriculum and shared their experiences in teaching and assessment practices. Discussions were also held on improving practical learning, project-based education, and providing students with better opportunities for skill development and career advancement.

The meetings emphasized the need to maintain academic excellence while ensuring that students acquire knowledge, critical thinking abilities, and professional skills. The recommendations and suggestions made during the meetings will help in further improving the teaching-learning process and achieving the academic goals of the institution.

The successful conduct of the Board of Studies meetings reflects the commitment of Pithapur Rajah's Government College (A), Kakinada, towards continuous academic improvement and quality enhancement. The active participation of all departments, faculty members, and experts contributed to making the meetings meaningful and productive.

The institution continues to focus on providing a progressive learning environment by regularly reviewing academic practices and adopting innovative methods. The Board of Studies meetings marked an important step towards strengthening the curriculum and ensuring better educational outcomes for students.

Pithapur Rajah's Government College(A),Kakinada dedicates the renovated Seminar Hall to alumni GMC Balayogi : 27.06.2026

The renovated seminar hall of the college was formally inaugurated today and dedicated as "Sri GMC Balayogi Seminar Hall" in memory of the institution's distinguished alumnus, the late Sri G. M. C. Balayogi, in recognition of his outstanding contributions to the development of the college.

The ceremony was inaugurated by the Principal, Dr. Kandula Anjaneyulu, who addressed the gathering and paid rich tributes to the late Sri G. M. C. Balayogi. He recalled that during Sri Balayogi's tenure as a public representative and Education Minister, substantial funds were sanctioned for the institution, resulting in remarkable infrastructural development. As a token of gratitude and respect for his invaluable service to the college, the renovated seminar hall has been named in his honour.

The Principal also dedicated the newly renovated seminar hall, equipped with modern amenities and improved facilities, to the college community. He expressed confidence that the upgraded facility would serve as a vibrant venue for academic programmes, seminars, workshops, and other scholarly activities.
